DEDUCT 5 points for all 4-year-old-only races.

DEDUCT 10 points for all Cal-bred Maiden and Allowance races (Claiming and Maiden-Claiming races are not adjusted).

DEDUCT 10 points for all non-winners-of-two claiming races.

RATE Starter Allowances and Starter Handicaps 10 points higher than the claiming price specified in the conditions. (NOTE: Also RATE Starter races for Maiden-Claiming winners 10 points higher than the specified Maiden-Claiming price).

\*In order to be consistent with our Northern California and out-of-state RCL charts, Today's Racing Digest will print quarterly RCL charts instead of one for each meeting. With each new RCL chart during the year, the RCL's for the 3-year-old and 2-year-old races will go up incrementally, reflecting the maturation process of young horses.
