

**FIRST RACE:** Maiden 40,000 claimers going six furlongs to open a new day of racing.

Top

choice is **MY DIANE (#5)**. She ran super off the layoff last time out, while the winner returned to win here yesterday. Expect Rosario to push early, allowing this one stay in the bit the entire way. **MY MISS MORGAN (#7)** has been working pretty well for Carava, and the presence of Pedroza, tells us Jack is looking for a quick break, and speed from the outset.

Win Contenders (listed in order of preference): 5-7-2

X Out Runners (on the win end): none

Positive Notes:

Regina S - Works for Mulhall are good, and the presence of Talamo is encouraging.

Sissy Wells - Actually, some nice works for Chew.

**TOP PICK: MY DIANE (#5 2-1 Rosario)**

**SECOND CHOICE: MY MISS MORGAN (#7 5-1 Pedroza)**
