

LONGSHOT PLAYS

Thank you for your interest in our longshot plays. These plays do not win at a very high percentage rate but when they do hit they usually pay very attractive prices. Some days there will be very few winners but on other days we have quite a few hits. We will always try our best to give you horses that have a great chance of hitting the winners circle, or at least hit the board..

SATURDAY APRIL 9, 2011
