

# FRACTIONAL TIME AND SUMMATIONS

The columns in this section are mostly self-explanatory with a few exceptions, such as: LF = the last time of the Last Fraction. TV=Track Variant, quoted in lengths or fifths or seconds. Minus figures are given to tracks that are slower than normal and plus figures to tracks faster than normal. RCL (explained inside the front cover of the Digest). RCL AVE = the RCL for a field of average strength for a race of this type. RCL Fin = the final or adjusted RCL per the strength of field after scratches, etc. CPR = Comprehensive Performance Rating for the race. It includes variants for track speed, an unusual pace, etc. PURS = purse for the race, shown in thousands. CONDITIONS = the stipulations a horse must meet to be eligible for the race (the abbreviations are generally explained on the bottom of this or another page in this section). ODDS FAVORITE = the Morning Line odds followed by the last odds shown on the tote board and where the favorite finished (F). ODDS WINNER = the Morning line odds followed by the last odds shown. HW = HOW WON indicates if the winner was F: front runner, E: early speed-no worse third throughout, M: midpack, or R: came from the rear. PP = post position of the winner. IN-THE-MONEY = the names of the first three finishers. # IN = Number of horses in the race. SUMMATIONS = Using the letters below to provide the characteristics of the race as run

## SUMMATIONS

- A. Average field for the level
