### October 10 Picks:

SA 1 (MSW, CA-bred, 6T)

**Primary - #9 CHOLLY, #10 Fun Money**

Secondary - #4 Cocktail Princess, #8 Speaking Spanglish

**Wagers: #9 to win, Exacta Box 9-10, Trifecta**

**9-10/4-8-9-10/4-8-9-10**

Comments: **#9 Cholly** (5-2) attended the pace and hit the board in both dirt sprints. Hanson shows a profit first turf and dirt/turf and she should make her presence felt from the outset if she handles the footing. **#10 Fun Money** (9-5) exits an okay show finish in the Generous Portion. She missed by a head in a CA-bred MSW dirt sprint before that and had trouble when finishing a head in front of Cholly July 23. She should be right there if she handles turf. **#4 Cocktail Princess** (4-1) was nabbed out of her last by Papaprodromou and she should show speed. She flashed speed under Frey and hit the board in all four dirt sprints. Her stablemate **#8 Speaking Spanglish** (6-1) is a first timer and dam has tossed a turf winner.

SA 2 (Clm-25k, 8f)

**Primary - #3 BRITTLE AND YOO, #6 Mercy Mercy**

**Secondary - #7 Whistler's Style, #5 Midnight Jamboree**

**Wagers: #3 to win, Exacta Box 3-6, Trifecta**

**3-6/3-5-6-7/3-5-6-7**

Comments: **#3 Brittle and Yoo** (2-1) rallied nicely to win a \$20k/3L dirt route as the chalk at DMR Aug. 18 and Truman claimed her that day. She exits an okay 3rd in an optional claiming route at LRC and this is a better spot. She reconnects with her winning rider Hernandez, and she won a local route last fall and is 2-for-3 at 8f. **#6 Mercy Mercy** (5-2) exits a \$16k win and is confidently up the ladder in her first start after the Knapp claim. She followed up a local \$12.5k dirt route win with a \$25k turf route win earlier this year. She will probably press the pace under her new pilot Van Dyke. **#7 Whistler's Style** (4-1) was nabbed out of her last by Cerin and he has good stats first

after the claim. The surface switcher graduated in a dirt route late last year and will try to get involved late under Berrios. **#5 Midnight Jamboree** (4-1) has been struggling vs. better recently and she started tailing off after jumping into the graded ranks earlier this year. The drop makes sense and she likes this course and distance.

SA 3 (MSW, 8T)

**Primary - #7 MAEVE OF CONNAUGHT, #3 Vivando**

Secondary - #2 Leisurewear, #4 Albayaader

**Wagers: #7 to win, Exacta Box 3-7, Trifecta Key 7/2-3-4**

Comments: **#7 Maeve of Connaught** (3-1) hit the board in her first two starts in Ireland and was 7th of 11 in her US bow at 8.5T Aug. 20. She was motoring late when missing by a half-length in a similar 8T spot Sept. 10 and should be rolling in the lane under her new pilot Rispoli. **#3 Vivando** (7-2) was competitive in all seven starts and she reconnects with Hernandez. She missed 3rd by a neck from post 12 last time. **#2 Leisurewear** (5-2) is 0-for-11 with seven minor awards. She might be aggressively handled under her new rider Maldonado. **#4 Albayaader** (6-1) was stuck out in post 12 and 11 in her last pair and might go better from a middle draw. Smith knows her now.

SA 4 (Clm-12.5k, 8f)

**Primary - #5 OF GOOD REPORT, #8 Lookin for Revenge**

Secondary - #6 Outright, #3 Colonel Bowman

**Wagers: #5 to win, Exacta Box 5-8, Trifecta 5-8/3-5-6-8/3-5-6-8**

Comments: **#5 Of Good Report** (2-1) dropped from \$12.5k to \$8k in his first start after the Ruiz claim and cruised from off the pace at LRC. This is a good claiming barn and he should make his presence felt in the lane, but he is 0-for-2 at SA. **#8 Lookin for Revenge** (4-1) set a fast pace and was clearly second best behind Of Good Report last time. That was a relatively fast \$8k event and they might run 1-2 again. **#6 Outright** (10-1) was along for the show in the common Sept. 18 LRC affair. He can rally for a share. **#3 Colonel Bowman** (5-2) won three of his last ten starts and is tough to trust at low odds. He was claimed out of a \$30k/3L win in the mud Feb. 27 and flopped in all three starts since for Diodoro. He had the \$20k claimed voided last time and drops again. He will probably show speed under Vazquez.

SA 5 (C1m-25k, 6T)

**Primary - #8 COSMO, #6 See Through It**

Secondary - #9 Grit and Curiosity, #3 Blameless

**Wagers: #8 to win, Exacta Box 6-8, Trifecta**

**6-8/3-6-8-9/3-6-8-9**

**20 cent Rainbow Pick 6 Ticket (Races 5-10):**

**6-8/9/2-3-6/4-5-7/5-6/2-10 (\$14.40)**

Comments: **#8 Cosmo** (3-1) is back at his \$25k claimed level for Puype. The fresh gelding turns back and Frey strings along, and his last win was at this course and distance. **#6 See Through It** (8-5) exits a stalk and pounce victory vs. similar \$25k claimers at 5T and O'Neill claimed him that day. Maldonado sticks with the early-pressing gelding and he is 0-for-5 at SA and 0-for-2 at 6T. **#9 Grit and Curiosity** (5-1) gets in light with recently hot

apprentice Alsagoor and might move up in his second start after a layoff. He hit the board in three of four local turf sprints. **#3 Blameless** (4-1) finished in the top three in his six of his last nine starts, and he was on the board in both local turf attempts.

SA 6 (MSW, 8f) - [SA Best Bet](#)

**Primary - #9 FORT BRAGG**

Secondary - #4 Practical Move, #2 Riverside, #6 Mixto

**Wagers: #9 to win, Trifecta Key 9/2-4-6**

Comments: **#9 Fort Bragg** (8-5) rallied wide for the show behind his stablemates Speed Boat Beach and Hejazi in his 6.5f bow at DMR Sept. 10. He is firing bullets for this and could easily graduate second time out for Hernandez/Baffert. **#4 Practical Move** (3-1) hit the board from outer posts behind quick Baffert trainees Cave Rock and National Treasure in his first two sprints at DMR. The \$230k purchase should be in the mix if he handles two turns. **#2 Riverside** (5-1) stretched out second time out and ran on for the place behind a runaway winner, and the show finisher won his next start. The \$310k Bernardini colt drilled a local bullet for this Oct. 7. **#6 Mixto** (6-1) is back with maidens after finishing up the track in the Del Mar Futurity (G1). The \$140k Good Magic colt was only a half-length behind Practical Move in his MSW dirt sprint bow after breaking slow from the inside post. He reconnects with Rispoli and can move forward.

SA 7 (Alw-1x, CA-bred, 6.5T)

**Primary - #6 MOOSE MITCHELL, #3 Square Cat**

Secondary - #2 In Vronsky Style

**Wagers: #6 to win, Exacta 6/2-3, Exacta 2-3/6**

Comments: **#6 Moose Mitchell** (5-2) dropped into the claiming ranks and won his last two dirt sprints, and Papaprodromou re-claimed him last time. He was 2nd in a local turf sprint earlier this year and should attend the pace. **#3 Square Cat** (2-1) stalked the pace and earned his diploma in a local 8T affair May 8. He misfired in his next pair and bounced back with a rallying 2nd at 5T Sept. 11. **#2 In Vrotsky Style** (3-1) is an early-pressing threat in his third start after a layoff. His best three races were at SA last year.

SA 8 (CIm-16k/2L, 6f)

**Primary - #4 WARREN'S QUEEN BEE, #5 So It Would Seem**

Secondary - #7 Magical Lady, #2 Chao Mar

**Wagers: #4 to win, Exacta 4-7/4-5-7, Trifecta 4-5/2-4-5-7/2-4-5-7**

Comments: **#4 Warren's Queen Bee** (4-1) has never raced for a tag this low and might bounce back in her third start after a layoff. She seems to prefer this oval. **#5 So It Would Seem** (9-5) battled on the pace from an outer post and was clearly second best as the beaten favorite vs. this kind Sept. 11. She adds blinkers for her new trainer Papaprodromou and Hernandez stays put, and she easily went all the way in her local \$40k maiden win June 10. **#7 Magical Lady** (15-1) earned an okay speed rating in a \$12.5k maiden win at GG Sept. 9. Reid France has good stats with recent grads trying winners for the first time and she gets in light with Alsagoor. **#2 Chao Mar** (20-1) should

get pace to chase and might go better in her second start after a layoff. She earned some decent late pace ratings in the maiden claiming ranks last year.

SA 9 (Alw-1x, CA-bred, 6.5T hillside) - [SA Best Bet](#)  
**Primary - #5 EXCESS SPEED LIMIT, #6 Thorne House**  
Secondary - #1 Lil Nas, #2 Brix  
**Wagers: #5 to win, Exacta Box 5-6, Trifecta 5-6/1-2-5-6/1-2-5-6, Superfecta 5-6/1-5-6/ALL/2**

Comments: **#5 Excess Speed Limit** (6-1) chased strong fractions before weakening in a DMR turf route Sept. 3. Rispoli hops aboard and he was a decent all-weather sprinter at GG. He figures to stalk the pace and might move up in his third start after a layoff. **#6 Thorne House** (8-5) earned quality speed ratings in all three dirt sprints. He won his last pair and the runner-up from his last was a next-out winner. Pederson is enjoying a fine year and this one should be in the thick of things throughout if he handles turf. **#1 Lil Nas** (4-1) fired in both local turf sprints and Sadler is strong route/sprint. Hernandez shows a profit with this barn and he is a threat if able to overcome the tricky inside post. **#2 Brix** (12-1) is worth looking at underneath. His recent form is not great but he used to be a decent late running turf sprinter and should get pace to chase.

SA 10 (MSW, 8T)  
**Primary - #2 GAME TIME, #10 Reincarnate**  
Secondary - #5 Valiancer, #9 Argentina Cries  
**Wagers: #2 to win, Exacta Box 2-10, Trifecta 2-10/2-5-9-10/2-5-9-10**

Comments: **#2 Game Time** (5-2) switched to turf and stretched out second time out Sept. 11, and he chased from the inside post and kept on grinding away for the place as the beaten favorite. He has tactical speed and an inner post, and should work out a favorable trip. Vazquez hops aboard Sadler's \$290k purchase and he might have another forward move in him. **#10 Reincarnate** (8-5) took action, battled through above par fractions, and missed by a neck in his 8T bow at DMR Sept. 11. The \$775k son of Good Magic should be forwardly placed from the outside post and Hernandez wins races with this barn. **#5 Valiancer** (7-2) chose this spot over Sunday's Zuma Beach (G3). He was on the board in all three starts and had an uncomfortable trip from post 14 in the Del Mar Juvenile Turf (G3) last time. Frey strings along and he should be heard from late. **#9 Argentina Cries** (6-1) set the pace and weakened to last in his turf route bow. This is his first start as a gelding and Rispoli hops aboard. Miller is very good with second timers and he will probably go better this time.
